

AT-1212-DP | AT-1212-DP Antenna

5GHz dual polarized 12dBi 120 degrees sector antenna

Product Classification

Regional Availability	Asia Australia/New Zealand EMEA Latin America North America
Product Type	Antenna
Product Brand	RUCKUS®

General Specifications

Application	PtMP Root/Mesh/Client Access
Antenna Gain	12.5 dBi
Polarization	Vertical & Horizontal
Bandwidth H/V @ 3 dB	120/15 degrees
Connector Location	Two N-type, two 1 m RF cables included
IP Rating	IP-67
Mounting	Wall/Pole Mount, mounting kit included
Wi-Fi Band	5 GHz

Dimensions

System Dimensions	200 mm × 200 mm × 33 mm
--------------------------	-------------------------

Environmental Specifications

Operating Temperature	-55 °C to +65 °C (-67 °F to +149 °F)
------------------------------	--------------------------------------

Packaging and Weights

Weight, net	1000 g 2.205 lb
